*Parable of the*

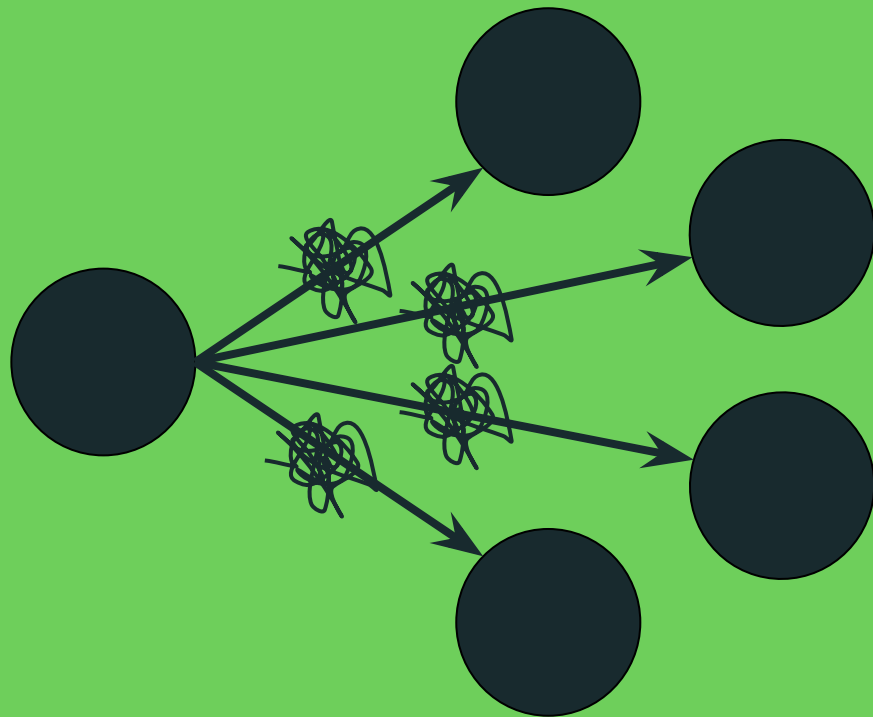

# Elephant

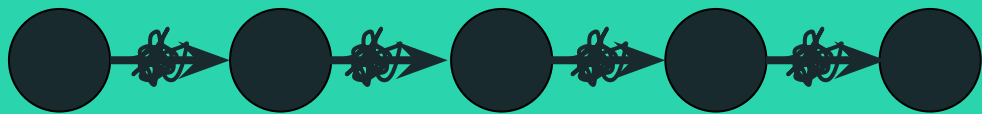

A hand-drawn sketch in black ink on a white background. It depicts a telephone line with four vertical poles. The wires are drawn as multiple curved lines sagging between the poles. There are some scribbled lines at the top of each pole, possibly representing hardware or connections. The overall style is a simple, gestural drawing.

# Telephone

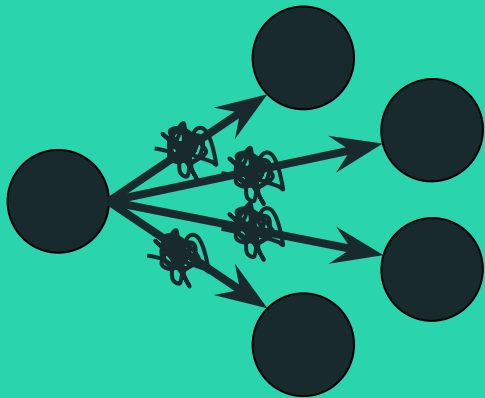

$$N_n = \sum_{i=1}^n e_i$$

$$N_n = e_n$$
